An architectural rendering of a modern multi-cultural center. The building features a mix of materials, including light-colored concrete panels and a prominent facade of horizontal wooden slats. A central courtyard is paved with light-colored tiles and contains two rectangular green spaces. To the left, an outdoor seating area with tables and chairs is visible under a covered walkway. The sky is a soft, hazy blue with light clouds.

CENTRO MULTI CULTURAL: RESGATE E INCENTIVO
IDENTITÁRIO DA SOCIEDADE OLIVERENSE

VITÓRIA CARVALHO NASCIMENTO

JUSTIFICATIVA

- Realizado na cidade de Oliveira-MG
- Falta de espaços adequados
- Eventos e manifestações culturais
